

A Word from the Lord

When it was announced on Wednesday, November 9, 2016 that the new President of the United States would be Donald J. Trump, God placed such an urgency in my spirit to let people know, "What Just Happened." I went LIVE on Facebook to do just that. Many to this day still do not support this current president, and that is a grave mistake.

Again, the urgency is in my spirit to let people know what is happening. God *placed this* man in office for such a time as this. What *we*, the American people need to know is that *we* are a nation under judgment from God because *we* have turned away from God. I'm not going to go into all the ways we have turned away from God in this posting but all you have to do is read the Bible and compare what we have allowed to take place regarding our laws. God is not pleased. We have all but erased Him from our nation, although there is an effort to do just that.

Romans 13:1, 2 says, "Let every soul be subject to the governing authorities. For there is no authority except from God, and the authorities that exist are appointed by God. Therefore, whoever resists the authority resists the ordinance of God, and those who resist will bring judgment on themselves." So, any question as to whether Donald Trump is supposed to be the 45th POTUS can and should be put to rest with this scripture; He would not be in office if *God* did not approve it! Nothing and no one can do anything more or less than what God allows. So, like it or not, Donald J. Trump *is* the rightful President of the United States.

That being said, please understand that *because* we are a nation under judgment, the time that God has given us while President Trump is in office is a reprieve from that judgment. We, the people of God, need to embrace this time to *sound the alarm*, to call people to repentance. We need to be about the Father's business in sharing the Gospel and helping to direct people to the cross which leads to eternal salvation; without which we all are lost.

So, the alarm is *still* sounding, and God is still looking for those who will step up and go out to spread His message. *We have been given a reprieve and we need to take full advantage of it!* Your next step is to get onboard praying for *this* president, praying for our nation, and sharing the message of the Gospel.

This is the Word from the Lord, "*I have given them a reprieve!*"
